COMPLAN 953

Technical data shown below are average values of the current production.

Complan 953 is Europe's leading PVC fabric for Truck curtains and covers. It is made 100% in Austria by Sattler and is highly regarded for its extreme strength and durable performance. The fabric is produced in the wide format of 3 metres and coated to 900gsm with a double-sided acrylic lacquer process. The fabric is also finished to allow for sign-writers' graphics and digital print images to easily adhere to the surface of the fabric. Complan 953 is simply the highest quality truck curtain fabric available.
