

## ENDEAVOUR 600

Endeavour 600 is a highly versatile PVC fabric that is suitable for a wide range of applications including commercial awnings, café blind enclosures, small shade sails, camper trailers, protective coatings, tarpaulins, promotional tents and sporting goods.

This fabric range offers a 600gsm spread coated protective surface that achieves excellent coating adhesion and is produced with a high tenacity 1000 Denier polyester supporting scrim. The extensive colour range is entirely produced in Australia – by Australia's only manufacturer of coated PVC fabrics.
